**PETITION UNDER 37 C.F.R §1.48(c) TO CORRECT INVENTORSHIP**

Honorable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

An executed Declaration under Rule 63 was submitted naming the following three persons as inventors:

1. Willy DELEERSNIJDER;
2. Guy NYS; and
3. Nicole D'HEUVAERT.

The original declaration was correct, as the subject matter recited by the originally filed claims was invented by the above-identified inventors.

However, the Second Preliminary Amendment, filed August 5, 2002 added claims 25-37, directed to subject matter not recited by original claims 1-24, and other inventors contributed to this additional subject matter. Thus, Applicants hereby request a correction of the inventorship of the present application to add:

4. Angelique Frijters VAN TETERING;
5. Jan Bart SLOOTHAAK;
6. Jurjen FRANKENA; and
7. Jakob VENEMA.

As detailed above, Applicants additionally assert that the change in inventorship arose without any deceptive intention on the part of the persons named as inventors or in error or on the part of the persons, who through the above-described amendment, was not named as an inventor.

It is requested that the named inventive entity comprising three inventors be amended to include Angelique Frijters van Tetering, Jan Bart Sloothaak, Jurjen Frankena, Jakob Venema..

As required by 37 CFR § 1.48(c), Applicants have concurrently filed (1) this request to correct the inventorship, (2) a statement, signed by each inventor to be added, indicating that the error in inventorship occurred without deceptive intent on their parts; (3) an oath signed by each actual inventor, (4) the processing fee; and (5) the written consent of the assignee.

The Petition fee is attached, but if it become detached or any additional fee is necessary, it may be charged to the undersigned's deposit account number 19-4375.

Respectfully submitted
